# Commercial Print Advertising On Board

## DISTRIBUTION & REACH

The New York State School Boards Association’s award-winning newspaper, *On Board*, is published 17 times a year. NYSSBA’s most popular product is staffed by journalists with experience at USA Today, The New York Times, Albany Times Union and other major daily newspapers. *On Board* covers state and national governmental actions affecting public education as well as legal developments, education research, feature stories and opinion pieces.

*On Board* is distributed to more than 11,000 educational leaders throughout New York State including school board members, superintendents, school district business officials, principals, State Education Department officials, state and federal lawmakers and key media outlets. Because many copies are shared, estimated readership per issue is 22,000.
