

2022-23 NYSSBA Final State Budget Priorities

Education Funding and Budgeting

- Support Executive and Legislative plans to fund year two of the Foundation Aid phase-in plan
- Support Executive and Legislative plans to provide a guaranteed minimum Foundation Aid increase for all districts
- Support Executive and Legislative proposals to provide for building and transportation aid forgiveness
- Support Executive and Legislative proposals to increase funding for student mental health and wellbeing
- Reject Executive proposal to permanently shift certain CSE special education costs from the state to school districts
- Reject Executive proposal to freeze the school aid database and cap aid payments
- Support Legislative proposals to increase career and technical education funding through increases to the BOCES aidable salary cap and special services aid
- Support Legislative proposals to restore and increase Prior Year Aid Claims funding
- Support Legislative proposals to increase community schools funding
- Support Legislative proposals to increase funding for pre-kindergarten
- Support Legislative proposals to increase the limit on building aid for capital outlay projects
- Support Legislative proposals to provide special act school districts with financial stability
- Support Senate proposal to increase school meal reimbursements

Additional Items

- Support Executive and Legislative proposals to increase affordable access to highspeed broadband
- Support Executive and Senate proposals to temporarily waive the public retiree earnings cap
- Support Senate proposal to repeal duplicative school building-level financial reporting
- Reject Senate proposal to require school district membership in county shared service panels
